Aalmi Majlis Tahaffuz e Khatm e Nabuwwat is a global organization, serving under the able guidance and leadership of few of the most prominent Ulema Kiraam of our times. The aim and the mission of this organization is to protect and safeguard one of the most critical Aqidah (Belief) of a Muslim, that is, the Belief in the Finality of the Prophethood of the Holy Prophet Sallallahu Alayhi Wasallam. Without this belief, a person cannot become a Muslim. The said organization has erected an effective frontier against the repudiators wishing to tarnish or cause confusions about this belief.

Continuing with its efforts spanning multiple decades, Aalmi Majlis Tahaffuz Khatm e Nabuwwat Karachi, this year announced its first ever Khatm e Nabuwwat Conference in Karachi. The event was held on Thursday, 01 September 2022, with the stage being set on the huge Bagh e Jinnah. Notables and the heads of all the major religious institutions of our country were present on the stage, while the attendees ran into tens of thousands of individuals from all walks of life.

The event was conducted in a peaceful manner, and the message was delivered loud and clear that there will be no compromise on the belief of the Finality of Prophethood. It left a lasting impression.

Donation Appeal for Hidayah Academy's Campus-3

We are currently facing an acute shortage of physical space to effectively manage our services

Hidayah Academy is pleased to inform its well-wishers that, under the guidance of Hazrat Moulana Shaykh Azhar Iqbal DB, within no time, it has seen enormous expansion across all the disciplines and platforms it is currently serving in. Our unique Dars e Nizami Program for working professionals has witnessed a phenomenal growth with the student body expanding from less than half a dozen countries to around three dozen countries within the past few years. This has been coupled with our on-site student body inching closer to 300 students. Students include those from our freshly upgraded Takhassus Program, which is running under the direct supervision of Hazrat Mufti Abdul Mannan Sb DB (Naib Mufti, Jamia Darul Uloom Karachi).

Along with that, Hidayah Academy is now serving the society through its own Dar ul Ifta by the name of AskHidayah, and it intends to contribute to the academia through its own Hidayah Research Journal, which would be regularly published under our new research center by the name of Hidayah Research Center. During the recent floods in the country, Hidayah Academy's team could be seen working on multiple fronts at multiple locations across two provinces of our country.

This year, Hidayah Academy announced around half a dozen new Affiliated Campuses, spread across the city, (continued on next page)

Hidayah Academy, under the directions of Hazrat Molana Shaykh Azhar Iqbal SB (DB), initiated Hidayah-Flood-Relief-Emergency-Program for the displaced families in interior Sindh, namely, Hyderabad, Tando Allahyar and Tando-Adam districts respectively.

In the (1st) first-phase, Flood Donation Drive Campaign were initiated in all campuses of Hidayah-Academy in Pakistan and also amongst all Online Students of Hidayah Academy worldwide, to encourage them contribute with whatever resources that they easily can for the relief-efforts-drive.

Alhamdulillah, the results were outpouring and really impressive. Hidayah Academy, managed to gather huge contributions in form of Ration-bags, Medications, Water-bottles, Biscuits, Juices, Mosquito Nets etc,

In the (2nd) second-phase, Free-Medical-Relief-Camp was organised for a whole-day in Gulshan-e-Shahbaz, Hyderabad district and Tando-Adam district, for flood-stricken families, Around 7 Male Doctors, 2 Female Doctors along with a Paramedical staff team provided free-emergency-medical-assistance and medications in primary-care and pediatrics to the flood-affected community in the area for a whole-day.

Separate and segregated efforts were ensured for the female-doctors team to serve female patients.

A total of (1500-2000 patients) were provided with free-medical-advice and medications in a day.

In the (3rd) third-phase, Distribution of Ration-bags were ensured amongst the affected families in the area.

The volunteer-teams from Hyderabad and Sukkur campus managed to visit and meet the locals and list-down details of genuine affectees. The second-team later visited to distribute ration-bags, clothes, Biscuits and Juices etc to distressed families.

The relief-efforts were personally headed and supervised by Hazrat Molana Farooq Feroz SB (DB), General Secretary, Hidayah Academy.

all of them delicately serving the masses along the lines of Hidayah Academy.

All of this huge expansion comes with its own set of demands. While Hidayah Academy has always been very careful, extremely thorough, and rigorous in monitoring and allocation of its resources, which has enabled us to maximize the After-Worldly returns for our well-wishers, we are currently facing an acute shortage of Physical Space to effectively manage our services as well as to conduct on-site classes for the Quran, Hadith and its relevant Sciences.

This has led us to make a push towards a new campus, which is located at an ideal place for us to effectively manage the affairs of this institution. The cost of this well-built premises runs into multiples of millions, providing a golden opportunity to our well-wishers to earn maximum rewards for themselves and their loved ones. With a pledge to make this institution outlive all of us, this is indeed a chance to earn Sadqa e Jariah for centuries to come. Indeed, Allah SWT loves those who spend in his way.
