## BLOOD

مَنْ قَتَلَ نَفْسًا بِغَيْرِ نَفْسٍ أَوْ فَسَادٍ فِي الْأَرْضِ فَكَأَنَّمَا قَتَلَ النَّاسَ جَمِيعًا ۗ وَمَنْ أَحْيَاهَا فَكَأَنَّمَا أَحْيَا النَّاسَ جَمِيعًا  
Surah Al-Ma'idah (5:32)

## DONATION DRIVE

"Whoever kills a soul unless for a soul or for corruption [done] in the land - it is as if he had slain mankind entirely. And whoever saves one - it is as if he had saved mankind entirely" (Quran 5:32) On Saturday, 23rd Feb 2019, Students of Hidayah Academy found an opportunity to save lives through blood donation. And they took the opportunity with both hands. Blood Donation Camp at Hidayah Academy was organized in collaboration with Indus Hospital, which has been serving humanity free of cost. Indus Hospital is known to provide impeccable services, which are regarded as one of the best in our beloved country. Hidayah Academy no less. It was a complete package; where blood donors would not only get a chance to save 3 lives per bottle of blood donated, but also get a quick medical checkup followed by blood test reports including but not limited to HIV, Hepatitis B, Hepatitis C and Malaria. All in all, it was a commendable step by both the institutions & will go a long way in serving humanity. May Allah increase the rewards for everyone who participated in this exercise.

## California Tour

by : Hammad Ayaz, California  
Online student (Hidayah Academy)

Hazrat Moulana Shaykh Azhar Iqbal DB paid visit to US state of California in the second week of November 2018.

During his visit, about 2 or 3 lectures were scheduled on a daily basis. It was a long journey spanning 11 days; over the course of which, about 25 lectures were delivered along with daily session of Muraqba (Meditation) & Islahi Majalis. The lectures were delivered in both English & Urdu, in Muslim & Non Muslim Neighborhoods alike.

Full of charm & blessings, his lectures were attended by individuals from all walk of life, specially students & teachers, who would express their love for Shaykh Sb & flock to meet and greet him. They took deep inspiration from his series of lectures and kalaam e muhabbat.

Highlight of his blessed journey was the lecture organized at Muslim Community Centre, California. It is a good resource of Islamic information for the people of other faiths interested in learning more about Islam, wherein it is not easy to get permission to deliver lectures. Alhamdulillah, Shaykh Sb's lectures were successfully organized and garnered huge respect and praise.

All in all, Shaykh Sb's command over both languages left a deep, positive impact on his well wishers.

## New Campus Update:

**Prophet SAW said:** Among the good deeds, one that remains in his books even after a person passes away. Benefit of Knowledge: ".When one has provided knowledge to someone and that person benefits from the knowledge and he forwards it to other people, then the 1st person who has originally provided the knowledge, he would continue to get the reward for that."

**Alhamdulillah, the new purpose-built building of Hidayah Academy is almost 85% complete, the roof of all 6 floors are ready.**

Classes of the upcoming batch (2019) to be held at the new campus Insha'Allah

### SEMINAR ON

## SEERAT UN NABI (SAW) A COMPARATIVE STUDY

A seminar on Seerat-un-Nabi was held on Wednesday, 20th February, 2019 in which renowned scholar Tayassar Sb presented an interactive and a detailed talk on Seerat-un-Nabi and addressed its grave significance in the prevailing times.

He further enlightened that the scripture of Seerat about Prophet Mohammad (SAW) is only available in its original and detailed form. It is the collective effort of around half a million people, also can be found in a book, Asma'a Rijal.

No other religion has any scripture available in its true and original form. They only have a brief collection of biography available for example; dating from childhood and then after 30 years of age, only a concise version of Hazrat Eṣṣā's life is recorded. Hazrat Moōṣā's life notes are very limited.

Our beloved Prophet Mohammad's (SAW) every minute detail has been written down, even the number of grey hairs is mentioned.
